

FIX THE FLAW IN THE LAW.

DEFINE A MINOR AS ANYONE UNDER THE AGE OF 21.

In 2004, Kansas set an important national precedent by enacting the Social Host Law (K.S.A. 21-3610c).

Together we have a chance to make this great law even better. Every Kansas law dealing with underage drinking defines a minor as anyone under the age of 21. Every law, that is, except our Social Host Law. That just doesn't make sense to me.

**PLEASE FIX THE FLAW IN THE LAW BY DEFINING
A MINOR AS ANYONE UNDER THE AGE OF 21.**

It's the right thing to do to protect our children, our families and our neighbors. And it will make it easier for Kansas parents to say, "Not In Our House."
