

“NOT IN OUR HOUSE”

Underage Drinking Prevention Parent/Caregiver Pledge

- We, as parents and caregivers in the community, agree to send a specific, consistent message to our children that alcohol use under the age of 21 is unlawful and unacceptable.
- We will foster an environment of open communication with our child, encourage open dialogue, and make it clear that he/she can call us at any time for a ride home from a party if drinking has taken place.
- We will take measures to be certain our children attend gatherings that are properly chaperoned and will not include the use of alcohol.
- We will not permit our home to be used for unsupervised parties. If we will be out of town, we will notify a neighbor or other responsible adult of our absence.
- We will not permit the serving of alcohol to underage youth on our property, nor will we tolerate the consumption of alcohol by underage youth in/ around our home.
- We will make every effort to prevent youth from driving if we know or suspect they have been drinking; we will make reasonable efforts to contact that child’s parent or guardian.
- We will not be tempted to think, “Our child would never engage in risky behaviors.” Believing this is risky in and of itself.
- We will help our children attain their hopes and dreams.
